Settlers' Village has become a very busy community centre while preserving artifacts from the history of our area. Your support as a member will help to ensure that

Settlers' Village

will continue as a viable entity .

We encourage you to show your support of the Village by becoming members of KRAHS.

Please review the membership application for fees and related benefits.

The number of members is very important to the sustainability and management of Kawartha Settlers' Village. Members vote at the annual meeting to elect directors who have responsibility for the management of the Village. When we apply for grants to the Province, the City or a Foundation, we are required to report the number of members to demonstrate the strength and vitality of the organization.
